All About US CPA

A Certified Public Accountant (CPA) represents the highest level of expertise in the field of accountancy, as recognized by the AICPA, the largest accounting body in the world. US CPA education focuses on key areas such as US GAAP, IFRS, GAAS, and US Federal Taxation & Business Laws.

This qualification offers a significant advantage for CPAs working with US-based financial firms or Indian firms serving US clients. The US CPA exam is divided into four parts:

- Auditing and Attestation
- Three Electives: TCP, BAR, and ISC
- Financial Accounting and Reporting
- Regulation

To earn the CPA designation, candidates must pass all four sections within 18 months of their first exam, achieving a minimum score of 75 out of 100 in each part.

The **US Certified Public Accountant (US CPA)** is a top-tier accounting credential respected by employers globally. It signifies in-depth knowledge of financial analysis, tax preparation, auditing, and various accounting specializations
